

Commercial Litigation

An experienced team,
with commercial insight.

At Swinburne Maddison, our commercial litigation team is trusted by businesses across the region to resolve disputes quickly and strategically. We understand that legal disputes can be disruptive and costly, so we focus on practical solutions that protect your interests.

Our aim is to resolve matters early through negotiation or alternative dispute resolution. But when litigation is necessary, we act decisively.

We take time to understand your business and objectives, tailoring our advice to suit your commercial goals. From the outset, we'll guide you through the process, helping you make informed decisions and keeping you in control.

We regularly advise clients on a wide range of commercial disputes, including:

- Contractual disputes
- Shareholder and partnership disputes
- Director and fiduciary duty claims
- Insolvency-related litigation
- Professional negligence
- Post-termination restrictions
- Data theft
- High Court enforcement

Top-tier expertise
in commercial
litigation.

Recognised by **The Legal 500**, we deliver expert commercial litigation advice to businesses of all sizes - focused, strategic, and results-driven.

A proactive approach

We don't just resolve disputes, we help stop them before they start.

By engaging early, we help businesses build strong legal foundations that minimise risk, enable growth and prevent costly, time-consuming issues and reputational harm.

Our team works closely with clients from the outset, providing clear advice that strengthens decision-making and keeps businesses on the front foot. Whether you're entering new contracts, expanding operations, or managing internal processes, early legal input helps you stay ahead of potential issues, saving time, money and stress down the line.

Wide ranging experience

Our team has extensive experience across all sectors and industries, acting for clients in disputes involving contracts, directors, shareholders and more. We understand that disputes can affect more than just the bottom line, they can impact relationships, reputations, and future plans.

That's why we focus on resolution, not confrontation. Whether through early settlement or robust litigation, we'll help you find the right path forward. Our advice is always commercially driven, with your business goals in mind.

Recognised expertise

We're proud to be ranked in the top tier of The Legal 500 for our commercial litigation work. This recognition reflects the strength and depth of our team and our commitment to delivering outstanding results for our clients.

We act for a wide range of businesses, from local enterprises to national organisations and are known for our clear, strategic advice and strong advocacy. Our team is approachable, responsive and focused on adding value, whether that's through early resolution or fighting your corner in court.

We understand that every dispute is different and we tailor our approach accordingly. Our reputation with the regional judiciary and our track record of success mean you can trust us to handle your case with skill, care, and commercial acumen.
